OVERVIEW

Global Workforce Mental Health

Connect your employees and their families to an exclusive global provider network to achieve sustained improvement and recovery, and create a culture of mental wellness.

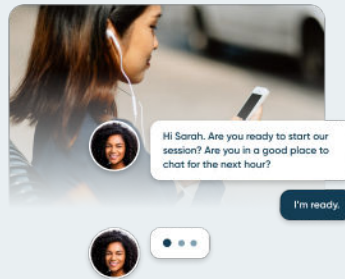

88% of clients improve on a validated clinical measure

Exclusive global network

- ✓ Enable access to 20,000+ high quality providers worldwide
- ✓ Over 10 million members with care available across 200+ countries and territories, including children ages 0-17, teens, couples, families, adults, and people with disabilities
- ✓ Measurable proven outcomes to achieve sustained improvement

Concierge Member Experience

- ✓ Flexible options including in-person, live messaging, digital videos & exercises, and on-site care options
- ✓ Digital platform with same-day appointments available
- ✓ Destigmatize mental health, transform your culture, and turn employees into mental health champions

Workforce Transformation

Choose a partner in Global Workforce Mental Health that delivers personalized experiences for every member

Published and Proven Results

Lyra relies on a clinically proven, evidenced based approach. We have leading third party studies to prove our solutions are effective in building mentally resilient workforces.

- ✓ 8+ published 3rd-party studies on Lyra's evidence-based care
- ✓ Published independent study showing Lyra helps reduce overall medical and prescription claims costs in health plan by \$2300 per member, per year
- ✓ Validated, measurable clinical assessments including PHQ-9, GAD-7, PSS, and AUDIT-C

"Mental health care is not negotiable. It is something our employees have to have. "

Morgan Stanley

"We're not paying a high fixed cost for care that our members may not use."

"I'm really proud of the outcome that we've seen with Lyra."
